PROFESSIONAL SUMMARY

- **2.4 years** of experience in the development of Web & Enterprise applications with customer communication
- Full Stack Developer with 2.4 years of experience in developing Web and Enterprise applications with direct customer communication and cross-functional team collaboration. Familiar of working in Agile & Scaled Agile Framework.
- Proficient in building scalable applications using Java 17, Spring Boot, DevOps, and MySQL, with strong exposure to Microservices and Micro-frontend architectures
- Hands-on experience with Core Java, Java 8, Hibernate, Spring Boot
- Proficient in using IDE like **Eclipse, IntelliJ IDE, STS**
- Worked with database **PostgreSQL, MySQL**
- Experience with CI/CD pipelines, using tools such as Jenkins, Git and deployment on servers.
- Having good knowledge of adaptive communication, collaboration & team building skills with proficiency at grasping new technical concepts quickly and utilize the same in a productive manner.

CURRENT EMPLOYMENT

Organization: Capgemini
Period: December 2022 to till date.
Designation: Software Engineer

EDUCATIONAL SUMMARY

- Bachelor of Technology (B. Tech) from Chameli Devi Group of Institution (Affiliated to RGPV) Indore in 2022
- Intermediate Scholar's Den, Khandwa in 2017.
- Matriculation from Ben's Public School in 2015.

SKILL SET:

Programming Languages	**Java** [OOP, Collections, Generics, Synchronization, I/O, Exception Handling, Regular Expression, Lambda Expression]
Persistence Frameworks	Hibernate 5.0, JDBC & JPA
RDBMS	SQL
DevOps & CI/CD Tools:	Jenkins, Docker, Kubernetes
Version Control Tool	GitHub, Git
Tools/ Technologies	JIRA, Jenkins, Putty, SonarQube, Swagger

IDE	IntelliJ , Eclipse 3.4 , STS

PROJECT SUMMARY

1. **Title: - Financial Management**
2. **Duration**: November 2023 to till date
   Development Environment: Java 17, Spring Boot 3.x, Angular 16, MySQL, Docker
   Jenkins, Git, IntelliJ IDEA
   Description:
   This project focuses on enabling users to efficiently plan budgets, monitor expenses, and track income to improve financial health and decision-making.
   Roles & Responsibilities:
   - Understanding functionalities from Requirement Specification.
   - Designed and developed features for expense and income tracking with budget planning modules.
   - Built RESTful APIs using Spring Boot and integrated them with Angular components.
   - Ensured seamless frontend-backend communication for smooth user experience.
   - Participated in Agile ceremonies such as sprint planning, retrospectives, and daily stand-ups.
   - Estimated tasks accurately and delivered sprint features within deadlines.
   - Followed clean code practices, performed unit testing, and used Git for version control.
   - Collaborated with team members for peer code reviews and bug fixing.
   - Worked in an Agile environment, participating in sprint planning, daily stand-ups, and timely delivery of estimated features.

2. Title Global Price Master:
   Duration: March 2023 to November 2023
   Development Environment: Java 17, Spring Boot, Angular 16, IntelliJ IDEA Git, Postman, Spring Security
   Description:
   This project focused on optimizing global procurement operations by providing a centralized platform for monitoring, analysing, and managing product prices across different regions.
   Roles & Responsibilities:
   - Understanding functionalities from Requirement Specification.
   - Develop Business logic of the application to create a API.
   - Developed Spring Boot services for maintaining and analysing global pricing data.
   - Improved procurement workflows through automation and API-driven processes.
   - Integrated frontend with backend services using REST APIs for seamless user experience.
   - Participated in Agile methodologies and contributed to sprint planning and execution.
   - Used Git for version control and followed Agile methodology for sprint-based development
   - Delivered well-estimated tasks consistently within sprint timelines and contributed to story refinements and peer reviews.
   - Worked in an Agile environment, participating in sprint planning, daily stand-ups, and timely delivery of estimated features.

PERSONAL PROFILE:

Date of Birth	**:** 20/06/1998
Gender	**:** Male
Languages Known	**:** English, Hindi,
Marital Status	**:** Single
